A multi-award winning Ultra-Premium Gin, made in tiny batches of 85 bottles by the Bond Family in Cheshire, using predominantly organic & foraged ingredients. The use of fresh spring water ensures that this Gin is soft & smooth throughout.

Hunters Gin

3.80

This premium gin is based on a 300-year-old recipe, the recipe for which is a closely-guarded secret. Citrusy, spicy nose with hints of citrus peel and a touch of cinnamon. A sweet, spicy palate entry with a lovely balance of exotic spices. Earthy juniper, a touch of aniseed, leading to a long finish with spice and hints of dried herbs.

Spirit of George Gin

3.80

"Because it's there" became George Mallory's life-affirming retort when questioned on his reasons for attempting to conquer the apparently unsealable Everest back in 1924. This hand-crafted gin, deliciously dry wrth a hint of Himalayan tea, has been created and perfected in Mobberley, the village where George was born and raised. In tribute and in celebration of our indomitable hero and inspiration, we ask you to raise a glass to the spirt of George.

Hendricks Gin

3.80

Quirky producer Hendricks make their pot-still distilled gin using cucumber as one of the primary botanicals. Unsurprisingly, this makes for a unique, tasty and incredibly refreshing Gin. Famously gentle, Hendrick's gin brings forth vivid images of cucumber sandwiches in rose gardens. It is light and sweet with gentle citrus and a fabulous burst of juniper.
